PRODUCT INFORMATION

AUXILIARY WATER PUMP FOR AUDI A4/A5/A6/A7/A8/Q5

NOW ALSO AVAILABLE IN AFTERMARKET

Motorservice provides independent repair shops with an aftermarket solution in the form of the water circulating pump **7.10102.05.0**.

At the start of series production, the pump (A) with the ref no. 059 121 012 B was fitted. This pump was then replaced by a pump from Pierburg (ref. no. 06D 121 601) and a modified holder. The Pierburg pump prevents the problems that arose with the originally fitted series pump.

The pump **7.10102.05.0 (B)** from Motorservice can be used to replace these pumps.
