VKBA 7101

33 41 6 851 589

In line with OE specifications , the bearing included in the kit VKBA 7101 will have a new design without centre cap from batch code 032U.

This design optimization is in line with OE and guarantees the same quality level.

The mounting/ dismounting of the old cap is not necessary, as the technical function is the same.

Both old and new design are fully interchangeable.

Old design WITH centre cap

New design WITHOUT centre cap
