This letter is to declare that all items supplied by Autoforniture Bipa Srl are 100% Genuine spare parts that are sourced from authorized distributors within their European Community dealer's network. All products supplied are conforming to the European standard and are the same products as supplied by the manufacturer through their dealer's network.

We are available to provide evidences in support of the above declaration, supplying copies of invoices and related documents, in the court of law, if situation should require it.

Kind Regards

Giuseppe Pastore
