

Allocation of steering column Hyundai i30/i30 CW (FD)

Please note the table below for faster and better part identification of the steering column of a Hyundai i30/i30 CW (FD). We offer several steering columns for one OE spare part number to save you the task of chip tuning for the steering column. After installation, only the steering angle sensor has to be calibrated.

For vehicles with **height adjustable** steering column

Engine	Part number			
	Left-hand drive		Right-hand drive	
	TRW	OE	TRW	OE
Petrol, except 2.0 l	JCR375	563102L600	JCR7375	563102L400
Petrol, only 2.0 l	JCR383	563102L600	JCR7383	563102L400
Diesel, except 2.0 l	JCR382	563102L600	JCR7382	563102L400
Diesel, only 2.0 l	JCR384	563102L600	JCR7384	563102L400
